## Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We object to the proposed use of this site for Worship and Community Centre.

The reasons are:

There is already significant pressure on local car parking and access due to the local residents but in particular The Avenue Primary Academy which causes much extra demand for car parking for staff etc. but also during School Arrival and Pick up times. The proposed use would make this situation considerably worse.

Access in and out of our Club often with large vehicles such as coaches waste disposal trucks and restaurant deliveries will be compromised on a regular basis by the additional traffic.
