Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to this application due to the traffic chaos it will bring to the local area and roads. The area already struggles coping with the local school and the two local bus routes. This will increase the risk to local schoolchildren especially on a Friday. The newly converted mosque from the old karate club in Carshalton Road causes such chaos with cars parked on the pavement making it difficult for traffic turning right etc and this is a red route.
