Comment Reasons:

Comment: The avenue is changing parking restrictions as the school causes chaos at dropping off and pick up times. Traffic caused by Overton and the new academy school blocks the area. Where I live many people also block the area for school runs. If the development doesn't have off road parking for all visitors, especially during Friday prayers, the area will be shut down. All extra cars will try to park in my estate. This will all happen, especially on Fridays at the same time. With a single access road it could take hours to exit my home. This application must be rejected unless all visitors to the mosque have off street parking on site and access to the mosque via my estate is prohibited.
