Comment Details

Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Totally support this project.

It's good for community as it opens doors to many things especially the community hub.

It can offer affordable indoor community space. It can be used by people struggling with mental health or social isolation as a place of support.

It can be used as women-focused community.

I really hope this project gets the green light.
