Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We have lived in Avenue Road for 30 years. In that time the traffic has increased tenfold plus. Parking in both Avenue Road and Dorset Road is chaotic at certain times of the day. The Mosque plan is to provide less than 15 parking spaces, yet people using this building is in excess of 150. All this will lead to more traffic problems in the area and beyond. We therefore object to this planning application
