Comment Reasons:

Comment: I am very happy to have this centre in this neighbourhood. It will be the closest community centre to me. I am 76 years old and have lived in Sutton for 20 years. I know that there will be get together for seniors and I believe that this will be very beneficial for me and my family. As a keen sportsman I'm encouraged to know that there will be sporting sessions for youth and I am also willing to provide professional coaching for the youth.
