Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I travel frequently from home in York Road to Sutton Bowling Club off Dorset Road and also into Belmont village.

At school pick-up times it is already a nightmare to thread my way through the parked cars and those doing u-turns in the road. There is often need to back the car up a considerable way. I try to avoid these times by going earlier although extra school activities can mean problems at unexpected times.

Adding another venue involving many people needing to park in the same roads will make this situation much worse. The parking will extend further back on Holland Avenue and York Road with few gaps to pull into and no doubt frustrated drivers parking across driveways.

As for the 2 bus routes affected, S2 and S4 I foresee frequent gridlocking at busy times, pushing bus travellers into using their cars unnecessarily.
