Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: In the immediate locality there is a school, tennis club and bowling club all of which are used for a significant part of the year. Providing an additional facility will put added burden onto the area and have a particular impact on the local residents. In view of the housing shortage in Sutton I would have thought a far better use of that site would be for low cost housing which would benefit all the Sutton residents and rate payers rather than just providing a facility for one group of people who would be the only beneficiaries to the detriment of the majority.
