Address: 30 The Avenue Cheam SM2 7QB

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This is already a very busy road/area with a care home, assisted living accommodation, primary school and church nearby.

Parking in an already crowded area would make this proposal hazardous for the elderly and children, not to mention noise pollution.

It would set a precedent for other big plots in this beautiful area to be turned into places for regular large gatherings, consequently leading to litter, noise and inconsiderate parking.
