Comment Reasons:

Comment: I am writing to express my full support for this planning application. For years, the Muslim community here has had to travel far or make do with inadequate facilities. Approving this mosque would provide a permanent, fit-for-purpose space for worship and community activities. It will serve as a hub for local families, promoting social cohesion and allowing people of all backgrounds to engage in interfaith and community events. This application represents a positive step for diversity and inclusion in our neighborhood
