Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: My partner and myself being regular drivers to Sutton BC in Dorset Road object to the application on grounds of increased traffic and roadside parking. Due to the nature of the proposed use, that level is not limited or foreseeable.

Avenue and Dorset Roads residential area is already congested with active school, church, old people's homes, bowling club and housing all requiring access to Belmont Village. Buses already have difficulty on a route serving the Village, Sutton and the Royal Marsden Hospital.
