Address: Flat 2 Quail Court 100 Brighton Road Sutton SM2 5RQ

Comment Details

Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I wish to express my support for the proposed community hub and place of worship at the former ambulance station on Dorset Road (DM2025/01591). I believe it will be an asset to the local area.

I am satisfied that the proposed operating hours are reasonable and will not cause issues for neighbours. The activities are primarily daytime, and the restricted hours mean there is a clear cut-off each evening.

Furthermore, there is no overlap. The alleged conflict between Friday prayers and the school run has been raised repeatedly by objectors, but it is based on a misunderstanding of the timings. The prayer changeover finishes well over two hours before the afternoon school run begins.

Sutton's Local Plan echoes this requirement. The NPPF requires planning authorities to plan positively for community infrastructure. This application is supported at every level of the policy hierarchy, and I would expect the Council to give that due weight.

The application is accompanied by a full package of environmental assessments, including a Biodiversity Net Gain Assessment meeting the statutory 10% threshold, a Flood Risk and Drainage Strategy, an Energy Strategy Report, and Arboricultural surveys. This establishes responsible planning.

This is a well-prepared application that deserves approval. I fully support DM2025/01591 and ask the Council to grant permission.
