Address: 32 York Road Cheam Sutton SM2 6HH

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Clear benefits have been cited for establishing this new centre, but the issue seems not to be about its value, but on the impact on the local area.

There are considerable traffic difficulties both in access and parking for the Avenue School. The addition of a further community centre, which will increase traffic, will exacerbate the current situation.

More needs to be done to put to rest the concerns of local residents in this development.
