Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I do not think it is sensible to have this change. I have noted the number of cars trying to find spaces while the services have been held at St John's Community hall. If this number were to try to find spaces so near to the Avenue School just at the time the nursery children are coming and going, I can imagine chaos. The parents of the school children already use all of the nearby streets for parking.
