Address: 67A Holland Avenue Cheam SM2 6HT

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The increased level of cars on this very dangerous cross way will impact school children's safety heavily.

The increased traffic on a heavily built up area of traffic will also impact largely on households neighbouring the centre.

Along with all of the above it will be more noise and directly backs onto our residential property which impacts our privacy with direct view from our and our children's bedroom windows.
