Comment Reasons:

Comment: I am writing to express my strong support for our local mosque and the positive role it plays within our community.

The mosque is not only a place of worship, but also a vital community hub that provides educational programs, youth engagement activities, charitable initiatives, and opportunities for interfaith dialogue. It creates a safe and welcoming space for families, promotes social cohesion and encourages values such as respect, service and community responsibility.

In addition, the mosque contributes to the local economy, supports vulnerable residents through outreach and charity work, and helps foster understanding and cultural diversity within our area. Facilities like this strengthen the fabric of our community and reflect the inclusive values that our council strives to uphold.
