Comment: Dear Planning Officer,

Re: Planning Application DM2025/01591

I have lived in Sutton since 2022. Sutton is a safe and welcoming place to live. I trust the London Borough of Sutton to make fair decisions for the community.

This proposal will create a Place of Worship and Community Hub. It will provide educational programmes for children. It will support young people's learning and development. It will offer activities and dedicated space for women. These are positive benefits for local families.

The building is modest in scale. The extensions are proportionate. It remains in keeping with the area. This is a low-intensity use compared to other possible developments.

I do not believe this proposal will cause significant traffic, light, or noise issues. I respectfully ask the Council to approve this application.

Yours faithfully,
Daniya Sharief
