Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:I am very concerned re the planning application for the old Ambulance Station in Dorset Road

We already have to contend with the traffic from the Avenue school;the Tennis Club;and the Bowls club all in the immediate vicinity, and the fact that this is all on a bus route makes negotiating traffic, whether as a driver or pedestrian, at certain times of the day,positively dangerous . I can imagine how much more hazardous this will be should this planning application be approved and traffic and footfall increase considerably so I hope it will be refused
