Comment Reasons:

Comment: Congestion: Parking already overloaded, late night noise. Car doors closing / engine noise and loud talking.

Avenue school will be affected at home time, especially at Friday afternoon prayers.

Commuters already use Belmont road and kings road to park on when using Belmont station and this affects residents including myself and my family who live on this road.

Parking is already limited due to council imposed parking restrictions ie: yellow and double yellow lines and limited parking time in the high street.
