Address: 93 Sandy Lane Cheam SM2 7EP

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: My main concern is the lack of parking for the large number of people who would use the proposed building. The area already has parked cars and the local roads would be used for parking by the visitors to the proposed building.

Parents with cars meeting children from the school nearby already confuse the area where the S2 bus goes. This is the wrong sort of use of this space as it compromises the access of the local residents.
