Comment Reasons:

Comment: This is an amazing project for the local community.

I have a family in the area and we use the temporary facilities for prayer and worship always respecting local area and residents.

Looking forward to the benefits the centre will bring to the youth of tomorrow teaching the lessons and skills of life in the UK and how to be successful in your studies and careers.

What an opportunity to give back to the community, a peaceful centre for Prayer, Charity, support and regeneration of the mind.
