Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We have a quiet road full of elderly people who are easily disturbed, we have a puppy at home who uses the front garden to go to her business and we are not happy for this to go through as it poses a risk. It also can be an issue during school runs, getting to work and coming home as I work late shifts. My little brothers play football outside on OUR driveway and garden so I do not support for this to go through.
