Address: 39 Burdon Lane Cheam SM2 7PP

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This proposal to substantially intensify the use of this site would be out of keeping with the area and would materially increase traffic in what is a busy area already.

There are schools adjacent to the proposal and the traffic would unquestionably pose a greater safety .

Undoubtedly traffic and parking would spill over to adjacent areas including Belmont ,Sutton and south Cheam which would be an unwelcome development.
