Name: Mr Hari babu Kunapaneni

Address: 171 Banstead Road South Sutton SM2 5LW

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: While I recognise that a community centre may provide benefits to local residents, this area already experiences significant traffic congestion. The surrounding roads are consistently overcrowded, particularly during peak hours, causing delays, safety concerns, and disruption to residents. The proposed development is likely to substantially increase traffic volume and further exacerbate these existing problems. For these reasons, I strongly object to this application.
