Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I fully support the Ambulance Station Conversion to a Mosque . I am a regular daily visitor during the Holy month of Ramadan. I go weekly for Friday prayers to Saint John's Church , which is my nearest venue for Worship . The venue is an ideal location for other Non Muslim people to use also after the full conversion to a Local Community Centre and Mosque. There will be plenty of parking available on the premises for the visitors who are coming by car or bikes. It will be an ideal Hub for the local residents for Exercise and other activities. It will complement the Saint John's Church that we use at present for the local Non Muslim Residents in the area.
