Comment Reasons:

Comment: It is too close to The Avenue School. Most parents seem to choose to drive their children to and from school and congestion is already bad enough. This will affect the S4 buses. The local roads are congested enough and this will add to the problems particularly on Fridays when the school closes earlier. If it is to be used as a centre of learning it will mean visitors at all times. Avenue Rd and Holland Avenue are busy roads that lead to the A217 and Belmont. The area already has parking issues.
