Comment Reasons:

Comment: Having got caught up in the local school's parking and traffic, which can be unbearable, adding more parked cars and traffic to the area is an accident waiting to happen, especially with school children around.

It may not affect me in Burdon Lane but there will be late night noise, affecting all nearby residents.

Plus, why do we need another mosque? There is a huge one in Morden, plus one in Sutton where I might add, they constantly park on the red route and nothing is ever done about it.
