Address: 53 Holland Avenue Cheam SM2 6HT

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Roads are already severely congested, especially at school drop off and pick up times. Constant parking across my drive and even on drive at times. Cars and buses can only use the road with difficulty. This is already a problem which the council have failed to address. It will get much worse if land use is changed to build community centre. Object 100% to proposal.
