Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to the use of the ambulance site as a mosque.

1. The area is primarily a residential area, and the mosque is out of character with the local demography.
2. The mosque will attract additional traffic to the area, and the road is already congested with parked cars. This is evident during the school drop-off and pick-up times.
3. Increased activity in the area will lead to an increase in traffic and noise pollution.
4. This development will compromise the safety of pedestrians.
