Address: 37 The Avenue Cheam SM2 7QA

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This development will materially impact pupil safety, congestion at pick up / drop off times, increasing the risk of collisions and unsafe crossing conditions. I can't imagine how additional traffic flow can be integrated safely and without significant impact on the students / parents and the nearby residents who already suffer from both parking and often access issues.
