Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: My reason for objection is due to the volume of traffic / parking (at certain times) that the Dorset Road / Holland Avenue / Avenue Road area already struggles to cope with.

Avenue Primary Academy has over 1,000 pupils and the safety of these pupils needs to be a consideration. At drop off / pick up times Dorset Road becomes chaotic / dangerous and I believe the proposed plans would only add to this.

People already don't observe road markings in the area. Often parking on double yellows, double reds, zig-zag yellows and blocking driveways. This makes the roads in the areas incredibly dangerous to cross as a pedestrian / cyclist at times. I believe the proposed plans would add to this issue further.
